

Hi Teachers!

Thank you for helping us gather the **ideas** and **stories** of our children.

Youngsville

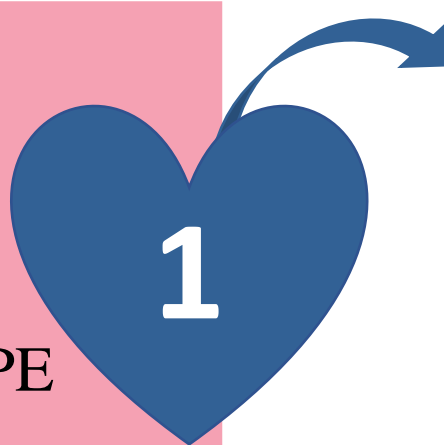

Heart & Soul

Youngsville Begins With YOU!

Youngsville Heart & Soul is a community project designed to do

Gather Stories

We want everyone to have a voice in our community. We want people to share what they **LOVE** and what they would **HOPE** to see in the future.

Discover Common Values

Through listening to all of these stories, our community's common values and shared hopes will emerge.

Inspire Action

By identifying our shared hopes for the future we can work together to ensure this is a community where we are all proud to live, work, play and learn.

Here is how you can help:

1 Introduce your students to the idea of our community as the place we all call **HOME**. The Heart & Soul project includes Youngsville and the entire Brokenstraw community.

2 Give students about 10 – 20 minutes to complete the worksheet as best they can. For younger students, please label or write a brief description of their drawing, if possible.

3 Return the completed worksheets to your school's main office.

"This project has been supported in part by PA Humanities, the Federal-State Partner of the National Endowment for the Humanities through a grant from the Route 6 Alliance Heritage Corridor funded by the Pennsylvania Department of Conservation and Natural Resources."
